

## 2.5 Digital License Registration Form

Each time you run the software, license validity is authenticated. In the event it is found invalid, you are offered two choices. First choice is to Install the License Key file. If you do not have the License Key file, you can get one by using the Second Choice which is to Register. Fill in the Registration form and press Finish button. Then email the Registration file as instructed on screen.

 Fill the Registration Form as Digital License Key not found!
